Masar Clinical Pathway

By Bayan Academy

BAYAN

1. VISION

To redefine dental education by building the most structured, real-patient-based clinical pathway that bridges the gap between academic knowledge and real-world practice.

الرؤية

إعادة تعريف تعليم طب الأسنان من خلال إنشاء مسار إكلينيكي منظم يعتمد على الحالات الحقيقية، ويُغلق الفجوة بين الدراسة الأكاديمية والتطبيق العملي.

2. MISSION

To guide dentists through a clear, step-by-step clinical journey that develops their skills across all disciplines, ensuring they graduate as confident, competent, and market-ready clinicians.

الرسالة

توجيه أطباء الأسنان خلال رحلة إكلينيكية واضحة ومتكاملة خطوة بخطوة، لتطوير مهاراتهم في جميع التخصصات، وضمان تأهيلهم كأطباء واثقين وجاهزين لسوق العمل.

3. PROGRAM PHILOSOPHY & PERSONALIZATION

A Pathway Designed for Every Level

Your journey begins with an online consultation through our platform, where we assess your current level and recommend the most suitable pathway tailored specifically for you.

ابدأ بتقييم إكلينيكي مخصص

تبدأ رحلتك من خلال استشارة أونلاين عبر منصتنا، حيث نقوم بتقييم مستواك الحالي وتحديد المسار الأنسب لك بشكل دقيق.

The Bayan Ecosystem

A Lifelong Pathway for Clinical Growth

From your first step with us to becoming part of our alumni family, Al Masar offers a structured pathway that supports your growth at every stage.

من أول خطوة... إلى مجتمع دائم

من أول خطوة مع بيان إلى أن تصبح جزءًا من عائلتنا. يقدم لك المسار رحلة تعليمية متكاملة تدعمك في كل مرحلة من مراحل تطورك.

BAYAN

Bayan One |

Bayan One is the foundational level of the Bayan educational pathways, designed to strengthen clinical fundamentals through structured preclinical training and carefully selected clinical packages. It is tailored for fresh graduates and developing dentists who aim to master the basics before progressing into advanced clinical practice.

بيان وان هو المستوى التأسيسي ضمن المسارات التعليمية في بيان، ويمدّد إلى بناء أساس قوي من المهارات الإكلينيكية من خلال التدريب ما قبل الإكلينيكي والبرامج العملية المصممة بعناية. تم تصميمه خصيصاً للأطباء حديثي التخرج والأطباء في المراحل الأولى من التطور المهني لإتقان الأساسيات قبل الانتقال إلى الحالات المتقدمة.

Bayan Plus+ |

Bayan Plus+ represents the advanced clinical development stage, combining advanced preclinical modules with supervised complex clinical cases. The programme focuses on enhancing clinical decision-making, precision, and comprehensive treatment planning for dentists seeking higher levels of clinical confidence and expertise.

يمثل بيان بلس+ مرحلة التطور الإكلينيكي المتقدم، حيث يجمع بين الموديويلات ما قبل الإكلينيكية المتقدمة والحالات الإكلينيكية المعقدة تحت الإشراف المباشر. يركّز البرنامج على تطوير التفكير الإكلينيكي، والدقة، واتخاذ قرارات العلاج المتكاملة للأطباء الراغبين في الوصول إلى مستوى أعلى من الخبرة والثقة العملية.

بيان برايم | Bayan Prime

Bayan Prime is the exclusive one-to-one educational module at Bayan, offering a fully customized training experience designed around the candidate's individual goals, preferred clinical cases, and training duration. The programme provides personalized mentorship, flexible scheduling, and advanced clinical exposure tailored specifically for dentists seeking a premium and highly focused learning journey.

بيان برايم هو برنامج التدريب الفردي الحصري (One-to-One) في بيان، حيث يقدم تجربة تعليمية مصممة بالكامل وفقاً لأهداف المتدرب واحتياجاته الخاصة، مع إمكانية اختيار الحالات الإكلينيكية المطلوبة ومدة البرنامج المناسبة له. يوفر البرنامج إشرافاً شخصياً وجدولاً مرناً وتجربة تدريبية متقدمة ومكثفة للأطباء الباحثين عن رحلة تعليمية احترافية ومتميزة.
